PERSONAL INJURY CASES, SURVIVAL ACTIONS,
AND WRONGFUL DEATH ACTIONS
WITH SAMPLE PETITIONS AND ORDERS**

October 2026

**TO: ALL JUDGES OF THE LAW AND PROBATE DIVISIONS,
AND MUNICIPAL DEPARTMENT**

FROM: DANIEL B. MALONE, PRESIDING JUDGE, PROBATE DIVISION
THOMAS V. LYONS, II, PRESIDING JUDGE, LAW DIVISION
ANTHANASIOS (TOM) S. SIANIS, PRESIDING JUDGE, FIRST MUNICIPAL DISTRICT
MICHAEL B. BARRETT, DEPUTY CHIEF OF CIVIL OPERATIONS

This Memorandum, outlining procedures to be followed in handling minors and disabled persons personal injury cases, actions which survive a plaintiff's death, and actions brought under the Wrongful Death Act 740 ILCS 180/0.01, *et seq.*, supersedes all prior memoranda relating to these procedures.

I. INTRODUCTION

Pursuant to Cook County Circuit Court Rules 6.4, 6.5 and 12.15(c), the judges of the Law Division and Municipal Department hearing a minor's or disabled person's personal injury action, an action brought under the Wrongful Death Act, or an action which survives a plaintiff's death, shall approve the settlement as fair and reasonable or upon the entry of a judgment shall fix the attorneys' fees and expenses attributable to the litigation, adjudicate liens, apportion a percent for wrongful death and a percent for survival action, allocate the wrongful death proceeds based upon the degrees of dependency of the next of kin where appropriate, determine the net amount distributable to each person, and enter an order dismissing the action.

Wrongful death actions without a survival count shall not be referred to the Probate Division unless brought by a personal representative appointed by the Probate Division. Additionally, survival actions, as well as actions involving minors and disabled persons at or above \$10,000.00, shall be referred, accounted for and administered in the Probate Division.

Once the Law or Municipal judge makes these determinations, pursuant to Cook County Circuit Court Rules 6.4, 6.5 and 12.15, the judges of the Probate Division are responsible for appointing guardians or other representatives, setting and approving bonds, authorizing the settlement distribution of proceeds, approving vouchers, and administering the estate in cases where the amount involved requires administration, such as when the action survives the plaintiff's death or a minor or disabled person is the recipient of net settlement proceeds at or above \$10,000.00.

The provisions of this Joint Memorandum shall apply to all petitions for approval of personal injury actions of minors, disabled persons, Wrongful Death actions, and/or Survival actions, pending in the Law Division or Municipal Department, regardless of Probate proceedings pending in, or to be initiated in, other Illinois counties, other states or other countries.

II. REQUIREMENTS

A. Submission of Verdict or Settlement Petition and Proposed Order of Distribution

Any attorney seeking approval of a settlement in an action involving: (1) a minor's or disabled person's personal injury case; (2) an action brought under the Wrongful Death Act; and/or (3) an action which survives a plaintiff's death shall submit a petition and proposed order of distribution to the Law Division or Municipal Department settling judge presiding over the matter at the time of settlement.

B. Fair and Reasonable

The settling judge reviewing the aforementioned settlement petition shall decide whether the settlement is "fair and reasonable." Such a determination shall be based upon the totality of the known facts. Factors that are considered include, but are not limited to: (1) the severity and permanency of the injury, period of survival between injury and death, medical bills incurred, lost time, if any, the age of the parties, the decedent, and next of kin, (2) an analysis of liability against the defendant(s); and (3) whether the case was settled pursuant to arbitration, mediation or pre-trial proceedings.

Recitation of Known Facts in Petition: In order to make a finding that the settlement is "fair and reasonable," the petition must include a brief recitation of the case's known facts. IT IS

NOT SUFFICIENT TO MERELY REFER TO ANY COMPLAINTS FILED WITH THE CASE.

Fair and Reasonable Language in Order: The settlement order must contain the following language: ***"The settlement amount is fair and reasonable."***

C. Proceedings Requiring Probate Division Administration

Amount distributable of \$10,000.00 or more: In any action in which the net amount distributable after deducting fees, expenses, and liens from the total settlement amount to a minor or disabled person is \$10,000.00 or more, a proceeding must be instituted in the Probate Division in the county where the minor or disabled person resides. In such instances, the settling judge's order of distribution must contain the following language:

"The settlement amount approved herein shall be paid only to a guardian appointed by the Probate Division where the minor or disabled person resides and this order shall be effective only after the entry in the Probate Division of the circuit court of an order approving the bond or other security required to administer the settlement and distribution provided for in this order."

The order shall not contain language which appoints a guardian, designates a depository or purports to waive a bond. Further, the order shall not direct the execution of releases by the parent, next friend or guardian. Said language would allow settlement without a bond and without reference to the Probate Division.

Amount distributable is less than \$10,000.00: If no representative has been appointed in the Probate Division and the minor or disabled person is to receive an amount less than \$10,000.00, the settling judge has the discretion to order that all or part of the funds be: 1) distributed to and controlled by the parent, next friend, or guardian for the sole benefit of the minor or disabled person until the minor reaches the age of majority and/or disability is removed, and/or 2) distributed to the parent, next friend, or guardian to be placed in an interest-bearing restricted bank account and held therein until the minor reaches the age of majority and/or the disability is removed. In any case, the order of distribution must indicate to whom the funds will be distributed, how they will be used and protected (bank account, certificate of deposit, money market account, etc.), and who will administer the account.

1. Actions brought by a Personal Representative

(a.) In pre-suit wrongful death/survival/minors'/disabled persons' actions brought by a personal representative appointed by the Probate Division, the entire action is conducted in, and

the distributable amount is administered in the Probate Division, pursuant to Cook County Circuit Court Rule 12.15(c).

(b.) Upon the settlement or disposition of a wrongful death or survival cause of action filed, the settling judge shall apportion a percent for wrongful death and a percent for survival action, and determine the allocation of the wrongful death proceeds based upon the degrees of dependency of the next of kin. Further, prior to distribution of proceeds, the settling judge disposing of the wrongful death case shall consider appointing a guardian *ad litem* to represent the interests of any minor or disabled person. The necessity for appointment of a guardian *ad litem* usually arises in circumstances in which the proposed distribution allocates a disproportionately low amount to the minor or disabled person. The fees of the guardian *ad litem* shall be paid out of the gross estate and not from the distributive share of the minor or disabled person.

If the action is for wrongful death and was brought by a representative appointed by the Probate Division, the order approving the settlement or entering the judgment in such action shall provide that the amount distributable, based on dependency, shall be accounted for and administered in the Probate Division. Upon the entry of the order, the representative shall file a petition in the Probate Division requesting the entry of an order authorizing the representative to receive the proceeds of the action and fixing and approving the bond, unless waived by the Probate Division, or other security required pursuant to the settlement or judgment.

2. Actions brought by a Wrongful Death Special Administrator

In actions brought solely pursuant to the Wrongful Death Act by a special administrator appointed pursuant to 740 ILCS 180/2.1, the order entering judgment or approving the settlement shall provide that the court in which the action is heard shall approve distribution of the amount recovered in any such action. However, if the net proceeds to a minor or disabled person exceed \$10,000.00, the order of distribution shall be administered and distributed under the supervision of the Probate Division.

3. Structured Settlements

Structured settlements require formulating procedures and/or payment schedules to safeguard settling minors and disabled persons in personal injury cases. Any structured settlement proposal is subject to the approval of the settling judge in accordance with the guidelines set forth in this memorandum.

When structured payment settlements are utilized, the attorney's compensation shall not exceed 33 1/3% (or that allowable by statute or rule) of the "Present Cash Value" of the total settlement except as set forth in D below.

D. Limitations on Attorney's Fees for Settlement of Minors,' Disabled Persons,' Wrongful Death, and Survival Actions

Pursuant to Cook County Circuit Court Rule 6.4(b) and 6.5(c):

Except as otherwise limited by rule or statute, attorneys' compensation shall not exceed 1/3rd of the recovery if the case is disposed of by settlement or trial. If an appeal is perfected, the compensation to be paid to the attorney shall not in any event exceed one half of the recovery.

E. Attorney's Fees in Medical Malpractice Actions Filed on or After January 18, 2013:

Under the provisions of 735 ILCS 5/2-1114:

"In all medical malpractice actions, the total contingent fee for plaintiff's attorney or attorneys shall not exceed 33 1/3% of all sums recovered."

F. Attorney's Expenses

Every petition and order of distribution must include a detailed itemization of all expenses claimed and the party seeking to recover expenses bears the burden of presenting sufficient evidence to support the claim. *GMAC Mortgage Corp. v. Larson*, 232 Ill. App. 3d 697, 703 (3rd Dist., 1992). Strict judicial scrutiny of these items is to be expected pursuant to the applicable case law. It is within the discretion of the reviewing court to determine whether said expenses are recoverable.

Note: Itemized charges are necessary for consultants who have been retained under Illinois Supreme Court Rule 201(B)(3), however, the consultant's identity is not required to be disclosed. In any case where more than one petition for approval of settlement is submitted, (i.e., where parties settle at different times during the litigation, only those expenses attributable to the parties involved in the particular settlement shall be included in each respective petition on a pro rata basis.

Overhead Expenses: An attorney cannot separately itemize and charge to the client expenses properly designated as overhead. Overhead expenses include general office expenses, such as photocopying, legal newspaper subscriptions, telephone and delivery services, telecopier and research (i.e., Westlaw, Lexis, Law Bulletin), and other similar expenses. *Harris Trust and*

Sav. Bank v. Am. Nat'l Bank and Trust Co. of Chicago, 230 Ill. App. 3d 591, 599-600 (1st Dist., 1992). Other inappropriate overhead expenses include taxi or rideshare applications, routine local transportation mileage, lunch, parking, and litigation funding contracts. Additionally, there will be no allowance for advances for costs of remaining litigation.

Ambiguous Charges: Expenses that are indistinct in terms of the task performed, its purposes, or the time spent on the task are considered “ambiguous” and unrecoverable. *Mercado v. Calumet Fed. Sav. & Loan Ass'n*, 196 Ill. App. 3d 483, 494 (1st Dist., 1990). For example, in *Mercado*, the following undated entries were deemed too vague and lacking in sufficient details concerning the nature of the legal tasks performed: 10 hours for “research in connection with the brief in support of defendant’s motion to dismiss;” and 11 hours for “research for the balance of the case in connection with the appeal and brief.” *Id.*

Excessive or Duplicative Billing: The court shall exclude from any distribution order deductions for expenses that are “excessive, redundant, duplicative, or otherwise unnecessary.” *Berlak v. Villa Scalabrini Home for the Aged*, 284 Ill. App. 3d 231, 244 (1st Dist., 1996).

Medical Expenses: See Section G below for guidance regarding when deductions for medical expenses are and are not permitted.

Prospective Expenses: Expenses that are prospective, such as expenses to be paid by the attorney subsequent to the entry of the settlement and distribution order, Probate filing fees, bond fees, etc., are not recoverable in the Law Division or the First Municipal Department. However, to ensure recovery of said expenses the attorney may include the following language in the order:

“The Probate expense(s) claimed herein appear reasonable, however, reimbursement of the same must be obtained from the Probate estate.”

Again, expenses for future funding of any remaining litigation are not recoverable.

G. Liens and Reimbursements for Medical Expenses

Health Care Services Lien Act. Valid primary liens under the Health Care Services Lien Act, 770 ILCS 23/1 *et seq.*, shall be satisfied from any award, even if the award is in favor of a minor or disabled person, and even if the award does not specifically incorporate recovery for medical expenses incurred or paid. *Manago v. County of Cook*, 2017 IL 121078 ¶ 23. There is no inherent conflict between the application of the Family Expense Act and the Lien Act. *Id.* at ¶ 33.

Insurance subrogation claims. If the parents of the minor who receive a benefit from the payment of medical expenses by an insurer, the insurer may not recover those expenses from the

minor's estate. *Estate of Aimone v. State Health Benefit Plan/ Equicor*, 248 Ill. App. 3d 882, 884 (3rd Dist., 1993); *See also, In Re Estate of Hammond*, 141 Ill. App. 3d 963, 965 (1st Dist., 1986); *Klem v. Mann*, 279 Ill. App. 3d 735, 738-739 (1st Dist., 1996); *Estate of Woodring v. Liberty Mutual Fire Ins. Co.*, 71 Ill. App. 3d 158 (2nd Dist., 1979). However, where the settling judge explicitly finds that the dependent of an insured was a third-party beneficiary of the insurance contract, an insurer's subrogation claim against the minor's recovery may be allowed. *See, e.g., Sosin v. Hayes*, 258 Ill. App. 3d 949, 952 (1st Dist., 1994) (The injured minor was named as a covered dependent under his father's health plan and would continue to receive benefits arising out of the accident after reaching the age of majority; the minor's mother assigned her rights to reimbursement for medical expenses to him; and the minor's father executed the unambiguous reimbursement agreement for medical expenses with the insurer on behalf of himself and on behalf of his minor son, so minor was deemed a direct contract beneficiary and subrogation was allowed from the minor's settlement.)

ERISA Plan's reimbursement rights: If a self-funded ERISA plan requires reimbursement by all plan beneficiaries who receive benefits thereunder, such contractual terms can be enforced to require reimbursement from a minor's settlement and state anti-subrogation statutes are preempted. *FMC Corp. V. Holiday*, 498 U.S. 52 (1990); *See also Board of Trustees v. Adams*, 1998 WL 259543 (N.D. Ill).

Illinois Department of Healthcare and Family Services liens: The Illinois Public Aid Code provides that the Illinois Department of Healthcare and Family Services has a charge upon all claims, demands, and causes of action for injuries to someone who received or has applied for financial aid, including health care benefits. 305 ILCS 5/11-22. Additionally, this right of reimbursement "take[s] priority over all other liens and charges existing under the laws of the State of Illinois with the exception of the attorney's lien." *Id.* Distribution of settlement proceeds is within the trial court's powers. *McKim v. S. Ill. Hosp. Servs.*, 2016 IL App (5th) 140405, ¶ 17.

Medicare liens: Under the Medicare Secondary Payer Act, Medicare does not pay for medical services in cases where an injury or illness was caused by another party or in situations where payment can be made by liability insurance. 42 U.S.C. § 1395y(b)(2)(A)(ii) (2012). If Medicare pays for medical care under such circumstances, the payment is construed as a "conditional payment." 42 U.S.C. § 1395y(b)(2)(B)(i) (2012); C.F.R. § 411.52 (2012). Medicare has a direct right to recover the entire amount of the bills paid from the entity responsible to

“conditional payment.” 42 U.S.C. § 1395y(b)(2)(B)(i) (2012); C.F.R. § 411.52 (2012). Medicare has a direct right to recover the entire amount of the bills paid from the entity responsible to make the primary payment, or alternatively from the individual or entity that received payment from the responsibly party. 42 U.S.C. § 1395y(b)(2)(B)(iii)(2012). *McKim v. S. Ill. Hospital. Servs.*, 2016 Ill. App. (5th) 140405, ¶ 22.

III. CONCLUSION

The provisions of this Memorandum apply equally to minors and disabled persons personal injury cases, wrongful death and survival actions. The objective of the procedures described above is to permit the total disposition by the Law Division or Municipal Department of any case in which a Probate Division action is not necessary while, at the same time, ensuring that appropriate Probate Division involvement is not eliminated by reason of an overly broad Law Division or Municipal Department order.

It is to be noted that while the following sample petitions and orders would handle the great majority of cases, they may not deal with those which go to verdict and judgment as opposed to settlement. In those cases, orders must be tailored to suit the particular circumstances bearing in mind the above procedures.
